The **True North** application system will allow you to see all your applications progress at each step. The **APPLICATION software is now open**. Later in January the True North payment integration will also open. Using Flywire, the most secure and affordable way to transfer funds Internationally. This program will be responsive and simple to use.

● **What happens if our agency still would like to use the older method of application?**

○ *The old method of application is still available until September 2021.*

● **Get I get support on using this new platform?**

○ *Yes. We have provided an attached 'Agent Guide' for True North. It has an on-line help feature and as always, we are an email or phone call away.*

*New Agent and Student marketing and 'how-to' manual to be released in February 2021 with QR code links to our new True North application! (sneak peek on page 2!)*

## NEW STUDENTS TO LIMESTONE

Even though we are in the middle of the 2<sup>nd</sup> wave of the COVID-19 virus in Ontario, as is much of the world, we have had many new arrivals to Kingston. We have followed all the health and travel protocols from the Canadian and provincial governments. Students are settling in and smiling behind their masks! Our program until the end of June is now full. We do still have some spaces available for September 2021 and February 2022 entry.

10 and 5  
month programs  
available!
